

# ORAMASK ® 831

# 1. description of item production and manufacture

Trade name: ORAMASK ® 831

Use: stencil film

# manufacturer

Orafol Europe GmbH Orafolstrasse 2 D - 16515 Oranienburg Tel.: + 49 03301 864 0 Fax.: + 49 03301 864 100

E-mail address: p.kanert@orafol.de

<u>Emergency Telephone</u> Information centre for symptom of poisoning Berlin + 49 030 19 240

# 2. possible dangers

risk to human beings and environment:

none

# 3. composition / information about components

chemical characteristics pvc - film polyacrylate adhesive silicone - coated paper

#### **Dangerous contents**

Do not contain hazardous substances neither substances of the "Candidate List of Substanzes of Very High Concern for authorisation" ECHA (REACH) concertation >0,1 % (w/w) (Relating: film + adhesive)

\* The original components which are used in the formulation of these products form the basis of evaluation. This statement refers to the condition when leaving the factory ORAFOL Europe GmbH in Oranienburg.

This information is based on our current knowledge and practical experience. It cannot be excluded that minor traces are included in the materials due to contamination of single raw material components which cannot be avoided from the technical point of view. Routine analyses of our products concerning contents of the above-mentioned components are not carried out. For factors which are beyond our knowledge and control any guarantee and liability cannot be accepted.

The statement refers to our current production. Old stock could deviation from the assessment.

| not applicable |
|                |

#### general remarks

Due to generally increasing allergic influences direct contact to the tacky surface should be avoided as far as possible as specific reactions to human skin cannot be execluded.

| 12. information regarding ecology                                     |   |
|---|---|
| information regarding elemination<br>(product life and decomposition) | not determined  |
| environmental properties  | not applicable  |
| eco- toxic reactions  |   |
| aquatic effects   | generally speaking no danger to water (self classification) |
| additional ecologic informations                                      | none  |

#### 13. information regarding recycling

**recommendation :** waste class similar to household waste, is to be recycled according to the local regulations

# 14. information regarding transportation

**additional information:** *not classified as a dangerous product in respect to transportation regulations* 

# Safety Data Sheet according to (EG)1907/2006

ORAMASK ® 831

Page 5 to 5 Version 01/13 Date 05.03.2013

# 15. prescription / instructions

Comply with regulation RoHS Comliance EU Directive 2011/65
